Public Hearing Disclaimer
 This map has been designed as a tool to be used in determining the order of operations at this public hearing and is based on the best information available to the Louisiana Department of Environmental Quality at this time. The LDEQ does not warrant the accuracy of the information on this map and the location of the facility. It is recognized that the shape and the exact location of the 2 mile buffer would vary slightly if property boundaries had been followed, as opposed to following the center of the facility.
